The sights . . .

Here he comes again, head high
and smiling
shakin' down the world, playin'
it cool.
He smiles as though he never been
hunted by the crowd, beaten by
all the fools.

Think of all men who never knew
the answers
think of all of those who never
even cared.
Still there are some who ask why
who want to know, who dare to
try.
Every now and then we meet that
kind of man
here he comes again and now he's
gone.

Dedication

Within Oak Grove's immense
educational facility there
is a small cubicle dedicated
to monetary exchange
The proprietor of these
120 square feet is a
servant of untiring
devotion. Few students
realize the job which is
done, "above and beyond
the call", for the student
body. It is this service
and this devotion that
have compelled this year's
staff to dedicate the
1970 El Aguila to
Mrs. Erma Jackson.

The 1969 Varsity Eagles started the season with four returning lettermen. Jim Stewart, Maddox Guidry, Steve Ryder, and Tim Mestaz supplied the experience necessary for a winning effort.

The highlight of the season was the Eagles first victory over McClymonds of Oakland by the score of 20-16. From there on, the young eagles found the M.H.A.L. very tough and again was deprived of its first league victory. Although outweighed in all of their games, they were never out-hit or out-hustled.

Standout performances were turned in by Elden Schuller, Don Frazier, Steve Hart, Dave Biles, John Reed, Wally Zittle and Mike Hart.

The coaches are very optimistic for the 1970 season, as there will be sixteen lettermen returning and many outstanding players from the Frosh Championship team.

Coach Lumby

Oak Grove's first cross country team finished off the season with a second place position in the M.H.A.L. final meet at Alum Rock Park.

Outstanding performers for the young Eagles were juniors, John Popper and Mike Blair and sophomores, Joe Alaniz, Don Tucker, Steve La Franchi, Mike Kroh and Bert Fisher.

Coach Lumby was very proud of this year's team and feels that "better things will come from the Eagles next year."

Over the course of this year we discovered people in our class who were willing to work and give time whenever it was needed. Still somehow we didn't carry the school's torch; we lacked large enthusiasm. Something else lifted our class's weight, it was a strong unity among the few who cared . . .

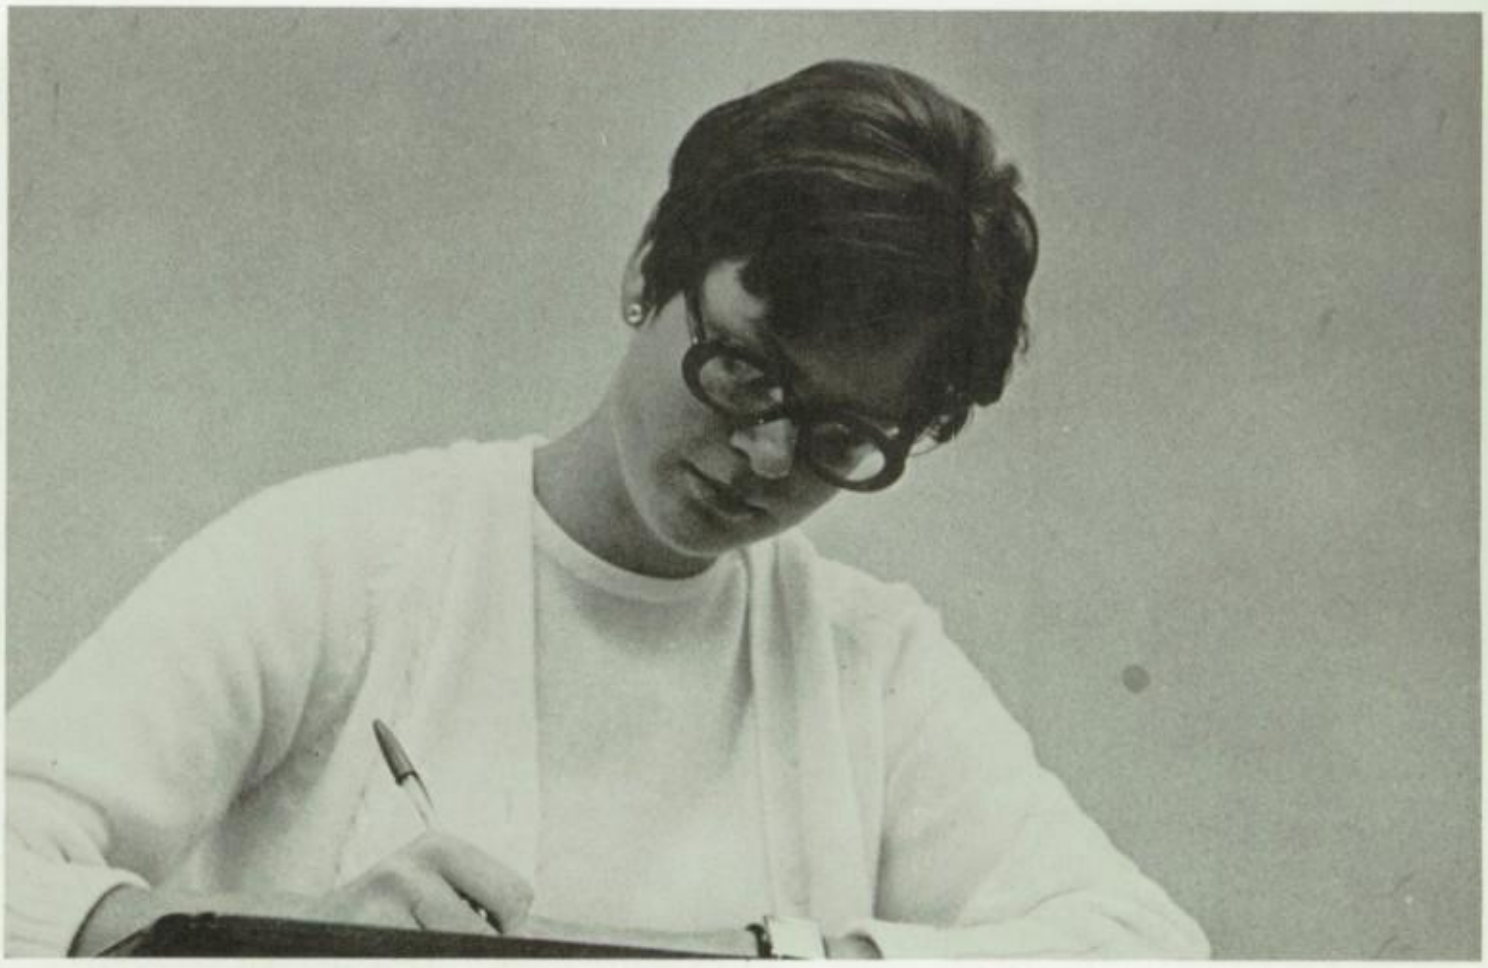
Kicki Rindegard



Oak Grove has been very fortunate this year in having a Foreign Exchange Student from Goteborg, Sweden. Her name is Christina Rindegard, but known to all as Kicki.

This bright and friendly visitor, who wanted so much to come here and to meet new people, has made many friends with the students and teachers of Oak Grove High. Everyone who knows her loves the way she speaks; not only because of her cute accent, but because of what she says.

When asked what message she would like to say, she replied, "I want to thank all of you for being so nice and friendly to me and for making my stay here a wonderful experience I will never forget."

We of Oak Grove would like to thank you, Kicki for bringing a better understanding between two nations.

Are these really seniors?

The Art Club of Oak Grove has not only been an active club, with its annual dance, field trips, valograms, Walden Pond, and workshops, but it is a club that has tried to bring people's interests together. With these people, Art Club this year has tried to bring the idea and beauty of the world through forms of art.

Arvel B. Clark

Principal

The El Aguila staff has my highest compliments on this yearbook. The staff has captured the "sights and sounds" of Oak Grove High School with vividness and accuracy.

I am sure that this yearbook will serve as a source of happy memories for many people for many years to come.

Best wishes,

Arvel B. Clark

Frank Bocca

Assoc. Prin. for
Educational Development

When the question was asked of me, "what I thought of Oak Grove High", the words which came to mind were as follows:
(1) Excitement: To witness the vitality and enthusiasm of the students as they go about the task of learning.
(2) Friendliness: The students have a genuine concern about their fellow students.
(3) Responsibility: The students have an awareness of the responsibility they have to gain the best education possible and, although this can be very difficult at times, they continue to try.
(4) The Generation: They are a part of the generation which deeply believes in making the world a better place for all.

Robert Peters

Asst. Prin. for
Administrative Service

I should like to take this opportunity to commend the Oak Grove students on the manner in which they have contributed to implementing the total school program for 1969 and 70. There have been many indications that the first steps toward unity and a strong school spirit have been taken during these past ten months. Certainly, much of the credit should go to this year's seniors who have provided Oak Grove with a great deal of leadership and enthusiasm.

Best wishes for the future to the Class of 1970.

James Minor

Asst. Prin. for
Student Services

I hope this book provides you with many pleasant memories of your classes, activities, teachers and classmates.

Seniors, good luck and come back to visit with us.

It is often said that change helps
to better things. Hopefully this
is true, but not always. The
change in this yearbook was
to hopefully make it better.
We, on the yearbook staff,
think it is, and hope you do
also. The 1969-70 El
Aquila Staff presents this
book to you.
